

Sprint 2 Report
Product: Study Cats
Team: SmittenKittens
Date: 11/04/2018

Actions to stop doing:

- Assigning too many tasks within a sprint

Actions to start doing:

- Clearly specify who is doing what task at the beginning of the week (Monday)
- Breaking up the tasks into smaller tasks
- Have time where we all sit down & work together (Wednesdays and Friday)
- Clearly layout all tasks needed for a feature before starting to work on it

Actions to keep doing:

- Update the Scrum board everyday (on trello)
- Communicate through Discord
- Talking through issues after scrum meetings

Work completed/not completed:

- Work completed:
 - Align the buttons so they appear on all the devices
 - Align the floor so it also appear on all the devices
 - Implemented the to-do list
 - Implemented user input timer
 - Implemented Google sign-in
 - Remake the menus with transitions
 - Added more cat animations to screen
 - Store the cats in the firebase instead of client side
- Work not completed:
 - Google calendar API implementation :(
 - Cats appears every 30 mins :(because we implemented timer instead)

Work completion rate: 80%
